The above-mentioned contracting authority decided to invite you pursuant to the principles defined in Section 6 of Act No. 134/2016, Coll., on Public Procurement, as amended (hereinafter the "Act") and in the rules for applicants and recipients of the Operation Program Research, Development and Education of the Ministry of Education, Youth and Sport – general part, version 5, by a written call for submitting a bid for a small-scale contract on **certification of the internal quality assessment system of Ostrava University**. With regard to the fact that the relevant public contract is placed as a small-scale contract, the provisions of Act on Public Procurement shall not apply to this tender in compliance with Section 31 of the Act.

The above-mentioned company represents the contracting authority in the small-scale contract designated as certification of the internal quality assessment system of Ostrava University. Details of the extent of said person's authority are stated in the tender conditions (see the annex). Tender conditions also constitute an integral part of this written call; in the tender conditions the contracting authority's requirements are defined concerning the subject of performance of the small-scale contract and the conditions of performance thereof, deadline and place for submitting bids, requirements for demonstration of the qualification fulfilment, data on the evaluation criteria and information on the manner of selecting the most suitable supplier.

.....
Jana Kobělušová
person authorized to act on behalf of the contracting authority

Annex to the Written Call: Tender conditions of the small-scale contract
